## Definitions and Explanation of Report Notations

Summary of **Basic Accreditation Criteria** (Reference: Montana School Accreditation Standards and Procedures Manual, Appendix E):

Regular or Regular with Deviations	Advice	Deficiency
<ul style="list-style-type: none"> <li>Applicable accreditation standards are met</li> <li>Licensed staff is appropriately endorsed and assigned</li> <li>School programs and resources are adequate</li> <li>When the school meets the regular accreditation standards with only minor deviations – Regular w/Deviations</li> </ul>	<ul style="list-style-type: none"> <li>Misassigned teacher – third occurrence</li> <li>Non-endorsed administrators – first occurrence</li> <li>Library and/or guidance services not present – first occurrence</li> <li>Minimum programs are not offered – first occurrence</li> <li>Non-endorsed counselor/librarians – second occurrence</li> <li>Continuing deviations for three (3) consecutive years</li> <li>Incomplete reports – first occurrence</li> <li>Approved variance(s) not followed – first occurrence</li> </ul>	<ul style="list-style-type: none"> <li>Non-licensed staff – first occurrence</li> <li>Misassigned teacher – fourth occurrence</li> <li>Non-endorsed administrators – second occurrence</li> <li>Library and/or guidance services not present – second occurrence</li> <li>Library and/or guidance FTE requirements not met – third occurrence</li> <li>Minimum programs are not offered – second occurrence</li> <li>Non-endorsed counselor/librarians – fourth occurrence</li> <li>Continuing deviations for four (4) consecutive years</li> <li>Incomplete reports – second occurrence</li> <li>Approved variance(s) not followed – second occurrence</li> </ul>

**Full-Time Equivalent (FTE)** – staffing requirements may only represent a part of a full time staff member's time.

**Occurrence** – the number of years a particular deviation has repeated continuously

Examples of report notations for number of occurrences of a deviation:

(1<sup>st</sup>), (2<sup>nd</sup>), (3<sup>rd</sup>), etc., first year, second year, third year, etc.

**Non-licensed** - A non-licensed teacher as noted in the report is one whose license was not valid *as of December 1, 2011*. When a teacher's license was issued after that date, it is noted with a double asterisk, e.g., 1 Teacher \*\*. However, the deviation still remains in effect.

Process Comment: During the Annual Data Collection (ADC) data entry, preliminary accreditation reports are available to schools/districts/counties. This allows the opportunity to correct errors or to notify the Office of Public Instruction (OPI) of corrections already undertaken.
